All but \$100 dollars of your shares should be returned within 10 days of the end of the contract period, assuming receipt of a completed room check out form by the office. The remainder of your shares will be returned to you pending an audit of house accounts. Any surplus that your house may have will be divided and returned along with your shares. Any deficit will similarly be deducted from your shares. It could take as long as four months after you move out to get back all of your shares. This is because we need to wait for the quarterly bills to come in before we can begin, and we cannot return money to any co-oper ahead of another: the checks will all be mailed on the same day. The audits are complicated by poor or incomplete bookkeeping in various houses. Please be patient.

On a scale of one to ten, please rate the following:

- ◆ Satisfaction with the co-op experience ☹ 1-2-3-4-5-6-7-8-9-10 ☺
- ◆ Meal plan (where applicable) ☹ 1-2-3-4-5-6-7-8-9-10 ☺
- ◆ Physical condition of your house ☹ 1-2-3-4-5-6-7-8-9-10 ☺
- ◆ Feelings of safety and security ☹ 1-2-3-4-5-6-7-8-9-10 ☺

Would you recommend the SHC co-ops to:

- ◆ Family members yes _____ no _____
- ◆ Friends yes _____ no _____

What did you like the most about your co-operative experience? What did you like the least?

What changes would you suggest we make as a cooperative?

Any additional comments?
